

Assignment/Lab Submission Contract

From what resources did you directly take code?

From nowhere

Did you cite these resources directly in your code via comments and make it clear where the code that is not yours begins and ends? If you have not done so yet, please cite these resources directly in the code so that you can answer yes to this question.

There is no code been taken from any resources.

What resources did you use as a reference for your assignment? Other than people in your group, with whom did you discuss the assignment?

Eloquent JavaScript Chapter1&Chapter2

If you are working in a group, please indicate the names of the group members and the contributions that each group member made, including yourself.

The group members are myself.I independently looked up the book and wrote the code and ran it successfully

Did all group members materially participate in **the submitted version** of the assignment/lab? If not, who did not participate in **this** version?

Yes

If this is a resubmission attempt, please detail what changed between the versions of the program.

No,it is not a resubmission attempt.

Please realize that dishonesty on this contract is academic dishonesty and students will be penalized as per the course syllabus.
